Forthcoming titles to 31 December 2004

HIGHLIGHTS OF THE SEASON

Teen Fiction

Egmont

The Looking Glass Wars

Frank Beddor

September, £12.99, 1405209879

The first in a trilogy that will reveal the truth about Alyss in Wonderland; the reality behind the legend. A highly original and engrossing read that takes the story of Carroll's Alice and turns it on its head in a totally believable way. I couldn't put it down and I can't wait for the next volume. Aimed at 12-16 years.
